Department of Mechatronics, Optics and Mechanical Engineering Informatics

M Ű E G Y E T E M 1 7 8 2

NATIONAL INSTRUMENTS

Industrial profile:
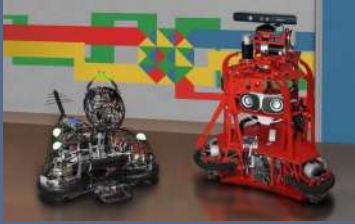

System integration
Functional tests
Expert systems
Mobile robot control
Measurement and data acquisition, signal processing
Automated quality control and testing systems

Qualified CLA, CLD and CLAD employees
Corporate trainings

LabVIEW

mvm
paksi atomerőmű

PPM®

BOSCH

moi
MAGYAR OPTIKUS IPARTESTÜLET · 1911

MTA SZTAKI

Higher educational profile:

NI LabVIEW Academy
Eto-robotics, Biomechatronics,
Robot control, Machine vision, Colour science
Application of NI LabVIEW, DAQ, cRIO, myRIO architectures

Leading participant and caregiver of the
Mechatronics Engineer education
in Hungary, elite technical
educational institute
